# Guest Speaker

*Mark Scott*  
Managing Director  
Australian Broadcasting  
Corporation

Mark Scott comes from a family background of achievers. Both his grandfather, Sir Walter Scott & his father performed in public roles. He grew up with a clear sense of duty. "I believe public service is vital, and I believe if you are called to serve, you should answer that call."

Mark took up his appointment as Managing Director of the ABC in July 2006 - being brought in as a generational "change agent" to take the ABC into a more commercial future.

Mark was named Media Person of the Year in 2008, the year in which the ABC inaugurated Australia's first internet television service, iView, attained its highest audience share on record in Radio and Television, and more than 14 million vodcasts were downloaded.

Before coming to the ABC, he spent almost twelve years in a variety of editorial and executive positions with Fairfax Media, including his appointment as Editorial Director of the Fairfax newspaper magazine division and Editor-in-Chief of Metropolitan, Regional and Community newspapers.

He's American-born, holding both US and Australian citizenship and is married to Briony with three daughters, aged 18, 17 and 14.

Mark has post-graduate degrees from Sydney and Harvard Universities in Government and Public Administration.

He has been active in community work and sits on the board of Wesley Mission in Sydney.

# All Welcome

The South Australian Prayer Breakfast is a special time where people from all sections of the community – political, civic, business, government, judicial, church, education, trade unions and the professions – join together for a time of reflection, encouragement and prayer.

The first South Australian Prayer Breakfast was held in 1980 and has been conducted almost every year since then.

The event is designed to encourage our political, business and community leaders, as well as the community generally, to recognise their privileges and responsibilities before God.

Similar functions have been held around the world since 1953, from Washington DC to Canberra, Melbourne and Brisbane. The US National Prayer Breakfast has become an annual event attended by people from over 140 countries.

**The South Australian Prayer Breakfast is brought to you by CBMC International – SA Inc in conjunction with the South Australian Parliamentary Christian Fellowship.**

CBMC International is a not-for-profit non-denominational organisation operating in 85 countries. Originating in the USA in 1930, it commenced in Australia in 1950 and serves the business and professional community through a network of Business Groups, Ministry Teams and Special Groups.
